Regulatory Interim Policy

To : GACA Airmen Licenses/Certificates Holders
Subject : Airmen Licenses/Certificates Validity Periods

After a careful review of the current GACA Aviation Safety Regulations pertaining to the validity periods and expirations of GACA Airmen Licenses and Certificates, The Aviation Standards Sector is hereby directed to amend the current GACA Aviation Safety Regulations governing the expiration periods of GACA Airmen Licenses and Certificates issued or to be issued to holders of the Saudi Arabian nationality such as not to have any expiration date of the licenses/certificates while keeping the holders of licenses/certificates responsible for applying all pertinent regulations governing the update and /or reissuance of their licenses/certificates.

The above directive will have an immediate effect until the pertinent Aviation Safety Regulations are amended accordingly.

Abdulkhikim bin Mohammed Altamimi

President of General Authority of Civil Aviation
Kingdom of Saudi Arabia
